

ASC Infection Control and Healthcare Safety Resource and Information Sheet

ASC National Healthcare Safety Network (NHSN) Workshop, May 4th 2017
Provided by NH Healthcare-Associated Infections Program

We hope that this list of resources will be helpful in your efforts of infection control in your ASC and help you to find needed materials more quickly. If there are any resources you want and are unable to find, or you have any other questions regarding infection control and healthcare safety please feel free to reach out to the New Hampshire Healthcare Associated Infections Program by email at haiprogram@dhhs.nh.gov or by phone at (603) 271 – 4496.

CDC NHSN (National Healthcare Safety Network) Training and Analysis:
