Teens on Tanning Forum Saturday, February 16, 10:00am-2:00pm Red River Theatres 11 South Main Street, Concord, NH

Join us for our Teens on Tanning Forum where you will gain leadership skills, learn the myths of tanning and the facts of melanoma. Hear first-hand experiences of young melanoma survivors and find out how to bring sun safety and skin cancer prevention messages back to your school and community. Bring a friend and empower yourselves with the knowledge and skills needed to make a difference in the lives of others. *Open to all high school students.*

Get the facts:

- Melanoma is the 2nd most common cancer in young adults ages 15-29
- 2.3 million teens tan indoors in the U.S. every year
- People who use tanning beds once a month increase their risk of melanoma by 75%

* Bring your friends to the Forum! Students from schools with 5 or more students attending will all receive an iTunes gift card!

Teens on Tanning Forum

The Teens on Tanning Forum is being offered by the Melanoma Foundation of New England (MFNE) in collaboration with the New Hampshire Comprehensive Cancer Collaboration. The Melanoma Foundation of New England is a 501c3 nonprofit organization dedicated to educating the public about sun-safe behavior, the importance of prevention and early detection and providing patient advocacy and support to those struggling with melanoma. To learn more about the Foundation visit www.mfne.org, call 800-557-6352 or email Amy Mason at amason@mfne.org. The New Hampshire Comprehensive Cancer Collaboration is part of a national effort to systematically and comprehensively address cancer control in each state through prevention, early detection, treatment, rehabilitation and palliation.
